“ *I am Albert's daughter. My name is Laureen, I live in Kansas City KS. My brother (Jeff) is residing in Alaska. My father's death came as a shock to me - even tho he wasn't there for us while we were growing up or there for us when we needed someone to lean on - I put aside those feelings once I heard he had passed away. Even tho many years have passed - He had his life, and I still have mine. Days go by so very fast - Thanks to my "Dad" I realize how precious my time is with my loved ones, and how I wish the two of us should've had shared.
I miss you "Pops"!! Always, your daughter, Margaret.....*

“ *Al, you were a good man, that will be sorely missed. You are now in the hands of the Great Spirit. Now you can forever run thru the wilderness with the Wolf and fly the grand skies with the Eagle, May your spirit be lifted up to the heavens where you can forever be happy. No tears, just smiles of the times we spent together. You were there when I needed a friend and that will never be forgotten, until the Great Spirit lets us meet again. Rest in Peace brother.*
