“ Our sincere sympathies to Anice Stumbo Larson's family. We were such good friends in high school and following that while raising our kids. I have many good memories of her. I wish I had known she lived in Glyndon and I would have gone to visit her. God bless you all and the memory of Anice.

“ We would like to express our sympathy to the family of Anice (Stumbo) Larson. Anice was my classmate and dear friend. We have not lived in the home town area for many years so we have lost touch with many former classmates. There will always be a special place in my heart for Anice. Doris Ann (Lundberg) Jensen

“ My prayers go out to you all. Ann was a great person and loved to visit. The few times I would do a delivery she knew I was coming and she would put the coffee on and we would visit for a long time. I looked forward to those visits. She will be missed dearly. Sarah
