During her training, Doris worked at the Frederick Memorial Hospital. She met the love of her life, Oliver Moen, who happened to be on Navy leave at the time. Doris and Oliver were united in marriage on January 20, 1947, in Ulen. The couple made their home on the farm with Oliver's parents and they farmed together. She proudly worked 22 years with the Viking Manor Nursing Home. Shortly after Oliver's death on October 21, 2010, Doris moved into the Agassiz Apartments in Ulen and more recently had moved into the Assisted Living. Doris' favorite pastimes included watching Jeopardy, Wheel of Fortune and Lawrence Welk on television as well as reading. for her family. She was a member of Bethlehem Lutheran Church, and in her retirement was active with the quilting group. “ Dear Wayne, Kim, and family, I am so saddened to hear of the loss of your mom and grandma. I will always remember the wonderful and gentle care she gave my Grandpa Knudtson when he was in the Viking Manor nursing home. I loved my grandpa so much, and it was so reassuring to our family, to know he had such good and loving care. She would always stop and visit with us when we were there. My thoughts and prayers go out to all of you.

“ Dear Jean and Wayne, I am sorry to hear of the loss of your dear mother. Jean, I don't think I have seen you since the end of our junior year in Ulen High School, but thankfully so, I do remember those great school days in Ulen and reflect on them often. When I was in Ulen not long ago to visit my dear mother-in-law, Inez, I did get to visit with your mother and others in the coffee room. It is a memory I will cherish because we had a great time that day; your mother was doing so well; I was surprised to see this news actually. Peace and comfort to you at this very difficult time. Sincerely, Wanda
