“ My deepest sympathies to Janice's family. I have so many fond memories of Janice. She & I went to Minneapolis together in 1958 looking for jobs. There were so many graduates looking for work that year and not many jobs. We even waited in line at a laundrymat- we would work anywhere. We went to Munsingwear and were going to operate power sewing machines and make underwear. Sorry to say, Janice didn't qualify as she was too short to run the foot pedals of the sewing machines. We both got jobs at Insurance companies which proved to be the better choice. We also lived together at her sister Helen's for a couple of weeks before we could move into the Mabeth Paige Women's Club. We shared a room, walked to work and enjoyed our free time together. Eventually I moved out to an apartment and Janice went back to Fargo. We have always remained in contact(she loved her family and also, was very happy with her singing group in Sartell) We have been good friends since we were in 5th grade and that is A VERY LONG FRIENDSHIP AND I WILL MISS HER. “ To the Peterick family. I am very sorry to hear of the passing of Janice. I have a lot of wonderful memories of her when you lived next to us. I will never forget the look on her face when she came home from shopping and found the entire front yard white with soap bubbles from the dish soap we put in the swimming pool. Janice was a very loving person, and will be deeply misses. God Bless your family.
