“ I received the program for Verona's funeral in the mail on Sat. Dec 28. It was the first I had heard of her death. Then I read that she was preceded in death by Mabel. I am so, so sorry for your loss. I had spoken with Mabel on the 1st of April to inform her of my Dad, her brother, Jesse's death on March 30. Although I brought her sad news, she and I had a wonderful conversation and even laughed together... I thank God for the blessing of that day with your Mom.
