“ Rick, Lloyd and I wish to express our sympathy for the loss of your Mom.

You know LLoyd worked at your Dad's station a couple of years in the middle 1980's and so he got to know them pretty well.

We could always count on your dad for fuel and furnace repair. We always enjoyed visiting with your Mom at the Heritage Center.

I guess life goes on and one never knows what the next day will bring.

Take care, Arvilla and Lloyd Lien
