“ I am so sorry to read the loss of Dusty. My husband worked for ECSI, and truly enjoyed working with Dusty, and Waylon. There are no words that can be said to ease your pain @ this time, as I too lost Morris to cancer in April 2010. Morris would come home laughing at something Dusty would say or do. I hope they are all looking down upon us and telling stories about their hunting and fishing escapades, as I heard Dusty had a few to share @ work. God Bless the name of Maynard "Dusty" Karsten.
