“ Dave, Kellcie, Josh, I can not express how much I'm sorry for your loss. I know the pain of losing someone so close and know that its never an easy thing to bear. Wendy was like my second mom. She was there for me in all the times i needed that Mom time. And was always first to give me grief for all the bad choices i made. Spending so much time with her over all these years was such a great treasure to me. Ill have so many amazing memories of her to carry with me. Kellcie, you are like a sister to me from spending so much time causing trouble and havoc and I'm always here for you when you need me. All the memories we have of your mom, my aunt/mom, we will always have to share when we are down and miss her. Remember, I am here for all of you, no matter when, or where i am always here. I Love You Guys.
